For Immediate Release

Faces and Figures (Revisited)

September 12-October 25, 2008

Opening Reception: Friday, September 12th, 6-8 pm

Marc Jancou Contemporary is pleased to announce the opening of the exhibition *Faces and Figures (Revisited)*. The title is inspired by the show *Faces and Figures* held at Thomas Ammann Fine Art, Zurich in 1989, which featured significant works on paper from Gustave Courbet to Joseph Beuys. This exhibition picks up where the original *Faces and Figures* left off, presenting works on paper from the 1980s to today.

The exhibition will feature new works on paper by Tim Berresheim, Carter, Ross Chisholm, Michael Cline, Jim Drain, Slawomir Elsner, Raffi Kalenderian, Justin Lieberman, Duncan Marquiss, John Newsom, David Noonan, Pietro Roccasalva, Sam Salisbury, Torsten Slama, and Lucy Stein. In addition, iconic works by Marlene Dumas, Caroll Dunham, Karen Kilimnik, Martin Kippenberger, Mike Kelley, Paulina Olowska, Steven Parrino, Raymond Pettibon, Jim Shaw, Thomas Schutte, Franz West, and Luc Tuymans will be on view.

A comprehensive catalogue will accompany the exhibition, documenting the gallery's extensive history with works on paper including former galleries in Zurich, London, St. Barth, and New York.
